ABOUT ME

I am a punctual, disciplined, and detail-oriented IT student with a strong passion for technology and problem-solving. I take pride in staying organized, meeting deadlines, and delivering high-quality results. I enjoy learning new skills, exploring innovative solutions, and continuously improving. I work well both independently and in a team, communicate clearly, and adapt quickly to new challenges.

EDUCATION

Bachelor Degree of Computer Science 2024 - Present
Specialized in Software Engineering

Cambodia Academy of Digital Technology (CADT), Phnom Penh
